About Us

Priceless Foto Studio runs as an Empire Providing Photography, Audio Visual and Art Service, and as a change agent. We are involve in training with an institution offering courses on every aspect of photography, video graphic, and arts.

We are a team of result-oriented professionals who make creative innovations to every job we do-under any circumstance. We travel the world doing what we love doing and we make business fun, creating unbeatable results in the exciting world of photography and creative expression.

Our History

PRICELESS FOTO STUDIO is born from a collections of experts who discovered that photography need to be re-modify into an industry where professionals are found with their uniqueness taking photography to next level..... We are here with a mandate to beat the limits set by men in the past because we are immortals bringing the unseen aspect of pictures into reality.

Our Vision

Called with a mandate- to give priceless memories in every standard that cannot be copied or reproduce by mortal beings. Our aim is to create and capture beauty and to elicit emotion from all parties involved in the creative process: the viewer, the subject and photographer. We photograph weddings, events, landscapes, portraiture and shoot commercial work.

If you are interested in purchasing prints, licensing images for personal/commercial use or commissioning a project, please [contact us](#).
